Please refer clause no 16.1.vi. We want to understand whether its imperative to physically present our machine for technical demonstration. Subsequently please let know when we need to carry out demonstration?	It is mandatory to physically present the machine quoted in the proposal for technical demonstration. Technical demonstration shall be carried out before the financial bid opening. All the technical parameters as mentioned in the RFP must match at the time of technical demonstration failing which financial bid of that bidder won't be opened.
Will financial bid be opened if we fail to physically demonstrate our machine?

The originals of EMDs and Document fees shall be submitted by bidder after the financial bid. EMDs of unsuccessful bidders shall be returned by issuing necessary letter for its release whereas successful bidder shall be asked to submit performance security before the return of EMD.
